### **Vanderheyden welcomes Christine DiGuilio as the Associate Executive Director for Business Services**

Wynantskill, NY- Christine DiGuilio joined the Vanderheyden team in mid December where she was hired as the newest member of Vanderheyden's Business Services Department.

Christine comes to Vanderheyden from Ulster Green ARC where she served as the Chief Financial Officer for 3 years. Prior to the ARC Christine was the Controller for 5 years at Emma Willard School for Girls in Troy.

With a Bachelors Degree in Business Administration from Siena and her MBA from RPI's Executive Management MBA Program, Christine made the decision to join the Vanderheyden team because "she enjoys working for an organization that is making a difference in the community." Christine adds " I grew up in Wynantskill and am familiar with the good work that Vanderheyden has been doing for many years."

A resident of Castleton, Christine serves as Treasurer of her 8-year old sons' after-school program, Castleton Kids, and is a member of the Finance Committee for Sacred Heart Church in Castleton. In her free time, Christine enjoys sports, being outdoors and spending time with her family.
